

Middle School Math & Science Teacher / Student Mentor

Inspire. Guide. Make a Difference.

Are you passionate about teaching and mentoring young minds? Do you believe in hands-on, experiential learning that fosters curiosity and real-world problem-solving? At **Maple Corner Montessori**, we are looking for a dedicated **Middle School Math & Science Teacher** to join our team—someone who values **small group learning, deep connections with students, and an outside-the-box approach to education.**

Why Teach at Maple Corner Montessori?

Our students are bright, kind, and eager to learn. They thrive in an environment where they are challenged to think critically, explore deeply, and develop a lifelong love of learning. As a teacher here, you are not just delivering lessons—you are **mentoring, inspiring, and shaping the next generation of thinkers, creators, and leaders.**

What You'll Do:

- **Teach math and science in an engaging, hands-on way**—helping students see the real-world connections in what they learn.
- **Guide students through independent and collaborative projects**, emphasizing critical thinking and problem-solving.
- **Mentor students** as they navigate the middle school years, fostering confidence, responsibility, and a love for learning.
- **Encourage curiosity and creativity** by integrating STEM, inquiry-based learning, and outdoor experiences.
- **Work in a collaborative, supportive environment** where teachers have the freedom to innovate and connect with students on a deeper level.

Who You Are:

- A passionate educator who believes in **meeting students where they are** and helping them grow.
- Someone who **loves working with middle schoolers** and understands their unique energy, humor, and potential.
- A teacher who values **small class sizes** and the opportunity to build strong relationships with students.
- A flexible, creative thinker who enjoys **project-based learning and real-world applications of math and science.**

What We Offer:

- **Competitive salaries** that align with district pay scales.
- **Ongoing training and professional development** to support your growth as an educator.
- A **collaborative and supportive work environment** where your ideas and expertise are valued.
- The opportunity to be part of a middle school program that prioritizes innovation, meaningful learning, and student mentorship.

At Maple Corner, we are creating something special—a middle school that prepares students not just academically, but as independent, capable, and compassionate individuals. **If you're looking for a place where your work truly matters, where students are eager and engaged, and where you have the freedom to teach in a meaningful way, we would love to meet you.**

Apply today and rediscover the joy of teaching.
