Tuition is based upon a traditional academic calendar, which includes traditional holidays, winter and spring breaks and teacher in-service days. Regular tuition is due regardless of absences. Tuition is based upon the program chosen and is listed above. Payments can be made in one installment or according to a 10-month payment plan. Autopay via ACH on Procure is our preferred method of payment. Other acceptable forms of payment are check, cash, credit card or debit cards. A 3% transaction fee is assessed for credit/debit card payments.

Tuition is due on the first day of the month for any plan, and a \$25 late fee is assessed on any balance not paid in full within 10 days of the due date. The materials fee, paid annually, covers supplies and maintenance of our facilities. If it becomes necessary for you to withdraw your child from our school program, at least one month's advance written notice is required, and tuition through the final calendar month will be calculated based on the 10-month installment plan.
